The mob became drunk on the supplies of apirits it looted from liquor stores and its fury increased during the night. The police endeavored to maintain at least a semblance of order, but they had been surprised by the outbreak and found it impossible to exert any real control. Finally the exhausted rioters quit of their own volition. In the course of Friday morning an attempt was made to continue the disorders, but by that time the police had been reinforced by troops and shots were fired over the heads of the mob to intimidate. By this method a resumption of the disorders was prevented. Beveral casualties have been re-

#### WAR NEWS IN BRIEF.

In northern Galicia, between Przemysl and Lemberg, there has been renewal of furious fighting, and according to an official announcement from Berlin to-day the Teutonic allies have gained an important victory.

An attack along a forty-eight-mile front is said to have resulted in capture of the Russian positions between Cyerniawa, northwest of Mosciska and Sieniawa, northward on the San. The announcement says 16,000 prisoners were taken vesterday.

A press despatch from Petrograd gives another version of what apparently was the same battle. It is said 20,000 men of the Austro-German attacking forces were killed, the remainder being routed.

In northern France heavy fighting continues. The German War Office to-day announced that the French had sustained a severe defeat near Arras. The French military authorities asserted a German work had been captured near Lorette, but admitted the Germans had recaptured part of the intrenchments at Souchez won the previous day.

The Turkish War Office announces that attacks of the allied forces against the right wing of the Turks were repulsed and that the attackers were thrown back to their original positions with heavy losses.

Occupation of the Carinthian town of Valentina by the Italians is announced officially at Rome. Along the Isonzo River a battle of large proportions has been in progress for several days. Although the Italians apparently have won some advantages the Austrians have brought up reinforcements and are offering determined resistance.
